ITINERARY IN DETAIL

Day 1 | Arrival to Santiago de Chile

Upon arrival in Santiago de Chile, meet and greet your guide and transfer to your hotel. Today we explore the historical and modern sights of Santiago de Chile. We start our trip at the main avenue Alameda Bernardo O'Higgins by visiting La Moneda, the Government Palace, where we learn about the historical and current importance of this place. Following this, we walk through the pedestrian streets of Huérfanos and Ahumada, where the main commercial activity of the city is concentrated. Afterward, we visit the famous main square of the city called Plaza de Armas, which is surrounded by the Metropolitan Cathedral and other historical buildings. We continue with a view of the Santa Lucia hill, the mount upon which the Spanish founded Santiago in 1,541. It is a solitary rocky outcrop adorned with lush vegetation, featuring an ancient structure that ascends prominently from the city below. Then, we cross the Mapocho River to get to Bellavista, the cultural and artistic neighborhood of Santiago. Bellavista lies at the foot of the San Cristóbal Hill, the highest in town, in the middle of the Metropolitan Park. We go up the hill to explore the surroundings while enjoying beautiful panoramic views of the city. Finally, we visit Providencia with its top restaurants, elegant shops and modern high-rise buildings. After our explorations, we call it a day and return to the hotel. Overnight at a Neo-classic Singular room at the Singular Hotel in Santiago.
