Immerse yourself in world-class snorkeling on the renowned barrier reefs. Snorkel straight from your cabana's beach or join two guided excursions daily. Explore diverse sites teeming with colorful fish, vibrant coral, rays, barracuda, nurse sharks, and more. Accompanied by skilled guides armed with lethal spears, each snorkeling excursion presents an opportunity to spot and hunt lionfish. Witness their population control firsthand, and perhaps even enjoy

them as a delicious meal! On land, engage in activities like kayaking, paddle boarding, hobie cats, and bird watching walks. Day 4 | Great Blue Hole, Half Moon Caye and Long Caye

Embark on a full-day boat excursion to Belize's premier dive spots and barrier reef environments. Begin with a visit to the awe-inspiring Great Blue Hole, a massive sinkhole in Lighthouse Reef atoll. Experienced divers explore ancient caves adorned with giant stalactites and stalagmites formed 15,000 years ago. The outer rim and coral heads teem with vibrant marine life, offering exceptional snorkeling among angelfish, butterfly fish, groupers, and colorful corals. Your Maya experience continues as you delve into Xibalba (she-bal-ba), the Mayan underworld. The Maya believed that caves served as a connection between the living world and underworld. Your guide takes you into the Barton Creek cave system, one of Belize's most extensive, with

over four miles of underground tunnels. The cave was formed by the Barton Creek and so you explore by canoe equipped with high powered lights amongst giant stalactites, stalagmites, and impressive calcite crystal formations. Learn about the rituals that archaeologists believe were performed here and the cave's importance to the ancient Maya people. Hop out of your

canoes and head up to the zip-line course set into the side of the Mayan Mountains. Choose from a variety of courses ranging from four platforms and 1,000 ft. to 15 platforms and 2,700 ft. of pure zipping enjoyment. Stay overnight at The Lodge at Chaa Creek.
